

# AMSTI 2024-2025

## K-8 Science

  	<b>AMSTI4All:</b> Science Foundational Training is a prerequisite for content training and required for any new teacher not previously AMSTI trained. These sessions are TEAMS approved.		
	Nov 6	Science Foundational Training	8:00-3:00
	Mar 10	Science Foundational Training	8:00-3:00
	Nov 22	Secondary Engineering & Computer Science Experience: Prosthetic Tails Grade 6-12	8:00-3:00
<b>AMSTI4A: ACAP Experience - Hybrid</b> Participants will meet virtually twice and do 3 sessions with students in classrooms. Six hours of credit will be awarded if student data is collected and participants attend closing session. These sessions are TEAMS approved.			
Jan 9	Opening Session	3:15-4:00	
Feb 6	Closing session (option 1)	3:15-4:00	
Feb 13	Closing session (option 2)	3:15-4:00	
Zoom link and resources will be sent after registration. Opening session is optional, but one closing session is required.			
<b>Group Coaching Sessions for Grades 4, &amp; 6.</b> Group Coaching Sessions will look at trends in ACAP data, connect big ideas in standards to formative and summative assessment options, and align lessons and labs in our new kits. These sessions are for previously AMSTI trained teachers (since 2016). <b>These Group Sessions will not provide certification for kit titles.</b>			
Oct 16	Grade 4: Energy and Waves	8:00-3:00	
Dec 4	Grade 6: Earth's Dynamic Systems	8:00-3:00	
<b>Virtual Office Hours for Grade K-8:</b> Virtual sessions to meet as a grade level to share ideas, ask specialists questions on kits or content, discuss problems, and schedule visits if needed. Zoom links will be included in the registration confirmation.			
Oct 24	Kindergarten Office Hours	3:00-4:00	
Nov 7	Grade 1 Office Hours	3:00-4:00	
Nov 14	Grade 2 Office Hours	3:00-4:00
